Version	Version 2.0
Effective From	1 st April 2025
Document Owner	HR
Approved by	P&CEO, NeGD
Date of Issue	06.03.2025

1. Objective

The objective of the HR policy is to establish clear guidelines and principles that govern the management of human resources within the organization. The policy also aims to support trust, fairness and inclusion by outlining the responsibilities of both employer and employee. The policy impacts on employee motivation, organization's reputation and the ability to attract and retain talent, creating mutual benefits for employees and organization

2. Scope

The policy is inclusive and covers all resources working for NeGD and hired through NISG/DIC or any third-party agency (wherever applicable). The service conditions of deputationist will be governed by their respective service rules or by the option given at the time of joining in NeGD.

3. Attendance & Working Hours

The purpose of this policy is to stipulate aspects relating to Working Hours, Working Days and Attendance and ensure discipline and uniformity amongst the workforce regarding the same

- All employees and the resources working on NeGD projects are required to register their attendance through NeGD eHRMS
- If due to whatever reasons, employees miss marking their attendance, the attendance for the same should be regularized by the reporting officer rather than the last day of that week.
- The list of holidays is communicated at the beginning of the calendar year.

4. Probation & Confirmation

An employee will undergo a probationary period of Six months during which both parties may assess the suitability of the engagement.

5. Performance Management & Appraisals

- Performance review period will follow the Financial Year (i.e., April to March of consecutive year).
- Resources who joined on or before 30th September will be eligible for performance appraisal on pro rata basis.
- Resources need to mandatorily upgrade their requisite skills as indicated in the Talent Development Policy, which will become part of annual performance appraisal.

Talent Development Policy for NeGD - 2024

1. Objective

Talent development is a cornerstone of success for organizations operating in knowledge industry. It ensures that employees have the skills, knowledge, and abilities to meet the ever-evolving demands of the technology landscape.

NeGD recognizes the importance of effective learning and development in assisting its resources to achieve its objectives. NeGD is committed to provide multiple avenues to its resources for talent development, ensuring their adaptability and career growth. A large team of performing resources will help NeGD to achieve its objectives in both the short and long term.

2. Scope

The policy is inclusive and covers all resources through NISG/DIC, deputationist, any third-party payroll & invoiced consultants.

3. Core Principles

This policy is based on principles and these principles serve as the preamble. The main principles of the policy are as under:

- **Employee Centricity:** Prioritize the needs and aspirations of employees and match it with the emerging needs of the organisation, creating win-win proposition.
- **Continuous Learning:** Foster a culture of lifelong learning and development, thereby enhancing the adaptability of resources for the sector
- **Performance-Driven Development:** Align development initiatives with individual and organizational performance goals.
- **Internal Mobility:** Encourage career growth and advancement within the organization.

4. Strategies for Talent Development

The policy aims to provide multiple avenues of talent development to its resources working in NeGD and SeMTs. Some of the key strategies in this regard are as under:

- **Training and Development Programs:** Offer a variety of training options, including workshops, conferences, and online courses.

No.

Date

- **Performance Reviews and Feedback:** Regularly assess employee performance and provide constructive feedback.
- **Career Development Planning:** Help employees identify their career goals and create personalized development plans.
- **Employee Recognition and Rewards:** Acknowledge and reward employee achievements to boost morale and motivation.

5. Eligibility and Mandatory Requirements for Training programme/course certifications

A resource is only eligible for a training programme/course certificate after successful completion of 3 months of service with the organisation.

The Programme/course certification must be relevant to his/her area of work, which has to be approved by the reporting officer/Director/President & CEO, NeGD.

In any financial year, each resource mandatorily complete at-least 3 program/course certificate with the approval of authority as defined in the policy, which will become part of his/her annual performance appraisal.

6. Criteria for Coverage of Programs, Courses, and Certifications

Approval for coverage of programs, courses, and certifications will be based on the following criteria:

- Relevance to Technology:** The program/course should enhance skills or knowledge related to technology that is relevant to the organisation's needs.
- Relevance to Role:** The content should align with the employee's current role or support their career progression within the organisation.
- Relevance to Personal Development:** The program/course should contribute to the employee's overall personal and professional growth.
- Knowledge Sharing:** The employee must demonstrate plans to share the knowledge gained with colleagues
- Enhanced Utilisation of New Tools:** The program/course should demonstrate how to effectively use emerging tools and technologies, such as ChatGPT and so on , to improve work processes or enhance productivity within the organisation.
- Other Areas:** Any program/course not covered by the above criteria requires approval from the President & CEO, NeGD

No.

Date

7. Operational Aspects

a) It is mandatory for all the resources to complete at-least 3 courses in a year, as it is essential for performance appraisal.

b) The period of the course/program may vary from 3 days to 5 days for offline courses and 2 weeks to 12 weeks for online courses.

c) NeGD will reimburse/ compensate the expenditure incurred by the employee/ resource on training programme/ course certificate or other talent development needs as defined in para 5 of the policy. The maximum compensation limit is set at ₹50,000 per year per resource.

d) Each resource may identify courses/programs which are relevant to his/her role/expertise and take an approval of the same from the reporting authority.

e) The reporting authority must evaluate the suitability and relevance of the selected courses concerning the employee's role, career aspirations, and current business needs. Once approved, an intimation may be given to NeGD HR.

f) NeGD HR to maintain a database of all such approvals and program completion in an online system in such a way that it is available to senior management of NeGD on real time basis

g) NeGD will recognise and reward resources who undertake courses/programs more than mandatory limit of 3 programs and share their knowledge with fellow resources through online sessions, events etc.

8. Non-Disclosure:

The organisation's approval for an employee to pursue a program or course will include a requirement for the employee to agree to a Non-Disclosure Agreement (NDA). This agreement ensures that any information, data, references, or documents relating to MeitY/NeGD/State Governments, which not publicly available, will not be used in any project or thesis associated with the program or course.

9. Leave

a) For duly approved courses or certifications undertaken by the resource during a year, he or she is entitled to 10 days of study leave.

b) For courses or certifications unrelated to their area of work, employees must use their personal leave balance to cover the time required.

No.

Date

10. Exemption

P&CEO, NeGD in special cases and in the interest of the organisation may nominate a resource to any special course for the compensation which lies outside scope of para 5(c) of the policy.

11. Successful Completion:

The employee must inform their approving authority and NeGD HR upon the successful completion of any program or course for reimbursement.

Completion of programs or courses will be considered as a criterion for compensation of expenditure incurred and will be considered in the performance evaluation process during the PMS (Performance Management System) cycle.

1. Reporting

The SeMT resources shall report to the respective State/ UT IT Secretary or any other officer assigned by him/her.

The SeMT resources will also report to P&CEO, NeGD/Director (Capacity Building), NeGD for the work assigned relating to various projects and priority areas of Digital India Program.

SeMT resources shall be assigned duties, roles and responsibilities by their respective State/ UT IT Secretary and any other task related to Digital Governance Projects from time to time by Director (CB).

2. Attendance & Liasioning with States / UTs

The SeMT resources will be governed by the NeGD Attendance & Leave Policy and have to maintain their Attendance & Leave as required by NeGD till such time the provisions are made operational on Capacity Building portal / HRIS.

Monthly Attendance and Leave record needs to be sent to NeGD HR by the SeMT resource authorized for this purpose through State Nodal officer, with a copy marked to the respective State / UT Nodal officer and Director (CB).

3. Probation/ Confirmation of Services

Probation and Confirmation of services of SeMT resource shall be as per the terms and conditions mentioned in the Contract Letter decided by NeGD.

NeGD HR shall confirm and continue the services of SeMT resource based on the recommendations of the concerned State / UT IT Department (Nodal Officer / IT Secretary).

4. Performance Monitoring:

SeMT resources will have a three-tier performance monitoring system

- i. The performance of all the SeMT resources will be assessed on annual basis through the Nodal / designated Officer at State / UT, and to be approved by the IT Secretary of the State / UT.
- ii. Monthly progress/activity report to Director CB NeGD, who will centrally assess the performance of SeMT resources on annual basis.
- iii. P&CEO, NeGD will be the reviewing and final accepting authority for annual appraisal of SeMT resources.

Till such time the relevant module is made operational on CB Portal, the quarterly and annual appraisals will be conducted through alternate mode as decided by NeGD.

5. Contract Renewal

Aimed at ensuring continuity and stability of the ongoing digital governance projects in the country, retention of the competent talent pool is essential.

The Contract of the SeMT resource shall be renewed based on the performance ratings for the last two years. An average rating of 4 and above in the last two Performance Appraisal cycles would be exempted from the interview process and their contracts be renewed further basis the feedback of the respective reporting officials at State / UT and NeGD.

For those resources whose average rating is less than 4 in the last two performance appraisal cycles,

SUNIL SHARMA
Director - NeGD

&
Program Management & Project Appraisal
Ministry of Electronics & Information Technology (MeitY)
Government of India

the position will be advertised to attract external candidates. The existing candidate may appear for the interview and compete with open market candidates. If selected by the interview panel, the contract will be renewed further, and will be treated at par with fresh engagement.

6. Exit Management

Exit:

All the SeMT resources will be governed by the Exit Management Policy of NeGD.

Termination:

Request for termination of a SeMT resource needs to be forwarded to NeGD by the IT Secretary of the concerned State / UT. Such request shall be referred to a Committee at NeGD as decided by P&CEO, NeGD, with an opportunity of being heard provided to the concerned SeMT resource. The decision of the P&CEO, subsequent to the recommendation of the Committee, shall be final and binding.

7. Hardship Allowance:

In order to compensate for the difficult terrain and conditions, a financial assistance in form of Hardship allowance will be provided to SeMT resources deputed in following States / UTs:

- I. Resignation
- II. Non-renewal of contract / Premature conclusion of the contract
- III. Contract Conclusion
- IV. Repatriation to the parent department
- V. Others

3.1 Resignation

- I. An employee who wishes to resign from the services of the organization is required to give the notice of resignation as per the terms of his / her contract.
- II. The resignation is sent to the reporting manager / vertical head who after due consideration sends it to the HR Department.
- III. HR Department, in consultation with the reporting manager / vertical head will initiate a discussion with the employee and provide inputs to the vertical head / P&CEO / MD&CEO.
- IV. If the decision is to accept the resignation, the reporting manager / vertical head confirms the relieving / separation date of the employee.
- V. A '*Resignation Acceptance Communication*' is sent to the employee by the reporting manager and the resignation is processed in line with the prevalent policy or procedures.
- VI. If the decision is to retain the employee the HR along with the reporting manager will initiate and conclude the discussion on the possible options with the employee.
 - Subject to the outcome of this discussion, the employee may opt for a '*Withdrawal of Resignation*' request or continue with the relieving process.

3.2 Term of the Contract

- I. Three months prior to the conclusion of the contract, it may be decided by the organization not to renew the contract.
- II. During the currency of the contract, it may be decided by the organization to conclude the contract prematurely, due to multiple reasons including project closure.

- III. The process for taking a decision on non-renewal / premature conclusion will be done in accordance with the prevalent contract renewal procedures.
- IV. Where the decision is taken to conclude the contract, the separation / exit will be processed in accordance with the prevalent contract renewal procedures.
- V. In case of a decision to not renew the work contract or engagement, HR Department will send a notification letter / email to the employee at least three (3) months in advance stating that her / his contract is not being extended.
- VI. All contracts will automatically conclude on the expiry of the contract period or the employee attaining the age of sixty (60) years whichever is earlier. If date of birth happens to be 1st of the Month, then the contract would conclude on the last day of the preceding month.
- VII. The employee has to initiate the process for requisite NOCs from all concerned at three (3) months in advance from the completion of his contract.
- VIII. In special cases, the organization with consent of such employees may renew the contract on a set of new terms & conditions mutually agreed upon.
